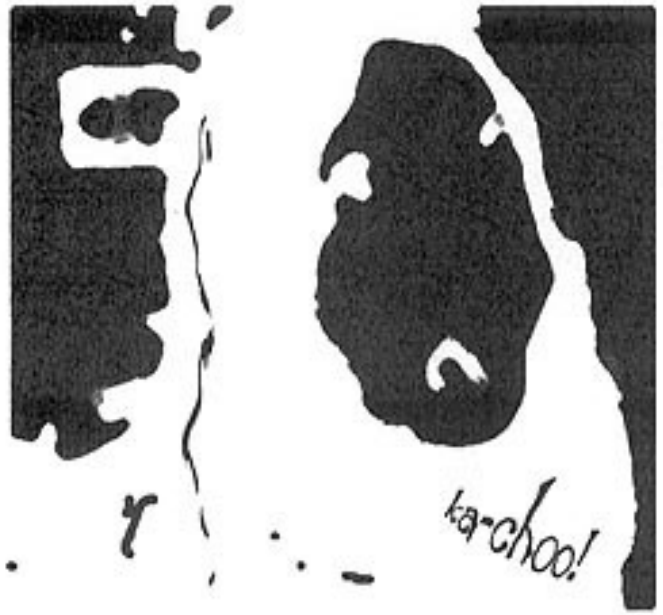
# WHERE IS BEATRICE?



white-haired Viennese Weaselhound with black face, four tartan booties and a nose for trouble!

*Absent since July 29th, and deeply missed by all. The children are not sleeping well. She was the sun in our little solar system, with a bark like a baby's sneeze and eyes of icy charm. Help her come home.*

---

*Everybody loved her*
*She was the queen of the ball*
*Now she has left us*
*And tears they must fall*
*Soon she will come back*
*And light up our home*
*Our dear little Beatrice*
*Are you near a phone?*
